Software Engineering Internship Application

Dear GM HR,
Head Office SSGC Karachi,

I hope this message finds you well.

My name is Junaid Ahmed, and I am a Bachelor of Engineering (BE) student in Software Engineering at MUET Jamshoro. I have successfully completed 6 semesters and am currently studying in my 7th semester.

I am writing to formally apply for the Software Engineering Internship opportunity at Sui Southern Gas Company (SSGC). I am highly motivated to gain practical industry experience and contribute positively to your esteemed organization.

I have a strong interest in full-stack web development and specialize in the MERN stack (MongoDB, Express.js, React, Node.js). I have built projects involving RESTful APIs, authentication systems, and responsive frontend interfaces using React.

I am a dedicated, hardworking, and quick learner individual, always eager to improve my technical and professional skills in a real-world environment.

I would be grateful for the opportunity to be considered for this internship. Thank you for your time and consideration. I look forward to your positive response.

Sincerely,
Junaid Ahmed
Software Engineering Student – MUET Jamshoro
