To Whom It May Concern

Subject: Letter of Recommendation for Mr. Junaid Ahmed for Internship at Sui Southern Gas Company (SSGC).

I am pleased to write this letter of recommendation for **Mr. Junaid Ahmed**, a student of 23 Batch, Department of Software Engineering. I strongly support his application for an internship at **Sui Southern Gas Company (SSGC)**.

I have known Mr. Junaid Ahmed during his undergraduate studies and have found him to be a dedicated, analytical, and hardworking student. He has developed strong technical skills in **MERN Stack Web Development**, including HTML, CSS, JavaScript, React JS, Redux Toolkit, Next JS, Node JS, Express JS, MongoDB, REST APIs, and Authentication, consistently demonstrating the ability to build robust, full-stack web applications.

His notable projects include a **Food Delivery Application**, an **E-commerce Platform**, a **Mini Social Media Application**, an **Authentication System**, and **TheMobileMarket**, reflecting proficiency in full-stack development, RESTful API design, and modern frontend and backend technologies. He also possesses excellent communication, teamwork, and organizational skills.

I am confident that Mr. Junaid Ahmed will be a valuable addition to your organization. I highly recommend him for an internship at SSGC and wish him every success in his future academic and professional endeavors.

Sincerely,

Chairman of the Department

Dr. Naeem Ahmed Mahoto
